necessary for charge of the General hospital Mysore. It is proposed for Dr Krishnaswamy Iyer because he is already drawing that allowance in the Victoria Hospital - A local allowance is not to be fixed to a person like that. Local allowance for each charge is to be fixed with reference to the importance of the charge.

22) (2) Dr Nanjappa is proposed to be made Surgeon in charge on the same pay which he is drawing as Resident. It is very probable that Sd will soon find his claims to addl emoluments for the higher charge irresistible.

Dear Sir,

Your D. O. letter No.5295-Med. dated 20th Jan. 1916, enquiring what arrangements I would propose at present for the charge of the General Hospital Mysore.

There are only two Officers available for the place just now, viz., Mr. E.S.Krishnaswami Iyer, and Mr. C. A. Nanjappa. Of these two, the former has served in Mysore previously and has earned local prestige which may stand him in good stead. It seems to me ~~prefer~~, therefore, preferable to post Mr.Krishnaswami Iyer to the charge of the General Hospital, Mysore.
